

Name _____

Spark Champions Handout

You now know what some of your sparks are. Some of your sparks are talents that you have already developed. Some of your sparks still need to be explored and developed.

Who are my sparks champions or guides?

Who already helps me with my sparks?

Who else might help me with my sparks?

What do they do that helps?

Where could I find a caring, responsible adult or friend to be a spark guide?

How could I help someone else with his or her spark? Who could I help?
